insist on the BEST!
Hydrovalve
the most dependable name for essential
HEATING REPLACEMENT PARTS
Laboratory and on-the-job tested to make your repair job easier.
Made to fit better for quicker installation.
Made to last longer to eliminate expensive and annoying call-backs.
. . . and they are precision-engineered, must pass rigorous peak-performance tests and must surpass original performance specifications.
Ask your friendly jobber for our latest catalog or write direct

the MIAMI *blower floor furnace*

A Real Gun Type Oil-Fired, Forced Air Floor Furnace With Instant Electric Ignition

Burner and Furnace both Underwriters' Approved

Solid State Control—Burner with Electric Eye

Heavy Duty Direct Driven Blower

Pre-Cast Combustion Chamber

12" x 24" Air Filter for Constant Air Cleaning

Can be Serviced Through the Floor

The Miami Blower Floor Furnace is skillfully designed for maximum efficiency. A compact unit, Underwriters' Approved, solid state safety control. Forget all about service and call-backs. The new Miami Blower Floor Furnace is the perfect size for replacing most ordinary floor furnaces, without re-cutting or filling in the floor—and most important, it can be serviced from the floor. You're guaranteed top performance, low cost and long furnace life.
